

# Heartland

**Everything your business needs under one roof.**

With Heartland on your side, your business will be equipped with the best payments, payroll products in the industry.

## Product features include:

### Payments

- Contactless payments: Enhance your patrons' experience from arrival to checkout with quick, efficient and secure technology.
- Mobile payments: Accept mobile payments in minutes right on your phone or tablet in two easy steps.
- EMV speed and security: Process EMV card payments four times faster than the industry average while keeping customer data secure.

### Lending

Secure loan terms and rates with one of Heartland's reputable lending partners.

### Payroll+HR

Reduce your administrative tasks and ensure your business is compliant with Heartland's payroll processing and HR administrative tools.

### PMS

We integrate with several of the leading PMS either directly or through a lodging Gateway. To see if your PMS is integrated with Heartland or if you are a PMS and want to integrate with Heartland - Call Rodney Biggs 530-415-6850 or [rodney.biggs@e-hps.com](mailto:rodney.biggs@e-hps.com)

*"I promise to provide your hotel and staff the best service and rates available. I am offering to review your current credit card processing and provide you with the most competitive rate available-at the min"*
